ARTICLE I RECOGNITION

Section 1

The Committee recognizes the Needham Education Association as the exclusive bargaining agent of all full-time and part-time office secretarial employees, clerical (school) aides, computer technicians, AV technician, excluding all managerial, confidential, and casual employees, and all other school employees.

Section 2 - Definition of Employee

Unless otherwise indicated, the term "employee" when used hereinafter in this agreement shall refer to all employees represented by the Association in the negotiating unit as above-defined.

Section 3 - Definition of Designee

The word "designee" as referred to in the Agreement means **Assistant Superintendent for Human Resources**.

ARTICLE 2 RIGHTS OF THE ASSOCIATION

Section 1

There shall be no discrimination, interference, restraint, or coercion by the School Committee or the Association or their respective agents against any employee because of membership or non-membership in or participation in the lawful activities of the Association.

Representation by the Association in the capacity of bargaining agent shall be available to all employees in the unit covered by this Agreement who are eligible for membership. No employee shall be required to join the Association as a condition of employment or to obtain such representation.

Section 2

The School Committee accepts the association's request that effective on the 30th day following the ratification of this agreement and/or after the commencement of employment and/or by December 1 of any school year and/or at a time identified by the bargaining unit pending a future ratification vote of all employees governed by the unit D contract, bargaining unit members shall become members in good standing of the Association. Any bargaining unit member who does not become a member shall be required to pay an agency service fee to the Association, which shall be set by the Association and/or its affiliate organizations (the Massachusetts Teachers Association and the National Education Association), payable upon notice as per the procedures and regulations determined by the Division of Labor Relations Commonwealth Employee Relations Board under its authority pursuant to M.G.L. Chapter 150E.

The sole method available for the collection of delinquent agency service fees shall be by civil litigation that shall be the sole responsibility of the Association. No bargaining unit member may be discharged or disciplined for failure to pay an agency service fee. The Association shall indemnify the School Committee for any liability, exclusive of attorneys' fees and related costs, which incurs as a result of having entered into or administering this agency service fee agreement.

Section 3

The Committee agrees that, in accordance with the provisions of the General Laws of Massachusetts, it will request the Town Treasurer to deduct membership dues or fees from the salaries of its employees who have voluntarily submitted a written authorization.

The amount so deducted will be remitted in accordance with such authorization to the Needham Education Association for the disbursement to the respective organizations, provided that the committee shall be under no obligation to make any such deductions after the receipt of a revocation in accordance with the terms hereof.

The Association agrees to indemnify and hold harmless the Committee and/or Town for damages or other financial loss which they may be required to pay by an administrative agency or court of competent jurisdiction as a result of compliance with this Article.

Dues or fees will be deducted in thirty-eight or forty-two equal payments beginning in September.

The Committee agrees not to negotiate with any employee organization other than that designated as the exclusive bargaining agent pursuant to Chapter 150E with respect to the wages, hours, and conditions of employment of employees covered by this Agreement.

Section 4

This Agreement is a complete agreement between the parties covering all subjects of bargaining for the term hereof.

The Committee shall not be under an obligation to negotiate with the Association any modifications or additions to this Agreement which are to become effective during the term hereof.

In the event that agreements are mutually reached on a voluntary basis between the Committee and the Association, they shall be reduced to writing, will be signed by the Committee and the Association, and will become an addendum to this Agreement.

ARTICLE 3 MANAGEMENT RIGHTS

Except as provided in this Agreement, the Committee and the Superintendent retain all powers, rights, duties, and authority which they had prior to entering into this Agreement.

As to every matter not expressly covered by this Agreement and except as expressly or directly modified by clear language in a specific provision of this Agreement, the Committee and the Superintendent retain exclusively to themselves all rights and powers that they have or may hereafter be granted by law and shall exercise the same without such exercise being made the subject of grievance or arbitration.

ARTICLE 4 CONTINUITY OF EMPLOYMENT

Section 1

In consideration of the terms of this Agreement and the legislation which engendered it, the Association and its members, individually and collectively, agree for the term hereof that they shall not cause, sponsor, sanction, assist, or participate in any strike, work stoppage, concerted absence or refusal to perform assigned duties, or other illegal activities directed against the Needham Public Schools during the term of this Agreement.

Section 2

If the Association disclaims such activities publicly and in writing to the Committee and advises the individuals concerned that the activity is illegal and in violation of this Contract and instructs them to cease such activities, it will not be liable in any way therefore.

Section 3

Employees who participate in any such activities may be disciplined or discharged as the Committee in its judgment deems proper; said discipline shall be final and binding upon the parties affected thereby and not subject to arbitration provided, however, the issue of fact as to whether an individual has engaged in such activities may be made the subject of the grievance and arbitration procedure.

Section 4

In connection with any negotiations for a successor agreement held pursuant to Article 29 (Duration), said negotiation shall be conducted without the threat of sanctions or strikes by either party, and any outstanding differences shall be referred to the mediation, fact-finding, or other statutory impasse procedures permitted by law only.

ARTICLE 5 GRIEVANCES

Section 1 - Introduction

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the grievances. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of this procedure.

Section 2 - Definition

For the purpose of this agreement, a grievance shall be defined as:

Any complaint by an employee covered by this Agreement that he/she has been subject to a violation, inequitable application, or misinterpretation of a specific provision of this Agreement.

Section 3 - Grievance Procedure

Level One - An employee with a grievance will first present it in writing to the immediate supervisor. Unless the parties mutually agree otherwise, a Level One grievance meeting will be held between the parties within ten (10) working days of receipt of the grievance by the Immediate Administrator/Supervisor. The Immediate Administrator/Supervisor will respond in writing within five (5) working days of the Level One meeting. The grievant or Association must provide in writing the specific Article allegedly violated, date of the alleged violation, and the complete remedy sought.

Level Two - If the grievance is not satisfactorily resolved, the grievant has ten (10) working days from the written response of the Immediate Administrator/Supervisor to file the grievance in writing with the Superintendent or designee. Unless the parties mutually agree otherwise, a Level Two grievance meeting will be held between the parties within ten (10) working days of the receipt of the grievance by the Superintendent or designee. The Superintendent or designee will respond in writing within ten (10) working days of the Level Two meeting.

Level Three - If the grievance is not satisfactorily resolved, the Association has fifteen (15) working days from the written response of the Superintendent to give notice to the Superintendent that the grievance is being submitted to arbitration. If, at the end of fifteen (15) working days following the presentation of grievance in writing to the Superintendent or designee, the grievance shall not have been disposed of to the satisfaction of the employee, the Association may, by giving written notice to the Superintendent, submit the grievance to arbitration.

Section 4 - Class Action Grievances

If there is a grievance which directly affects a group or class of employees, or is of a general nature, the Association may submit such a grievance in writing directly to the level of administration having the appropriate authority to resolve said grievance.

Section 5 - Time Limits

If at the end of twenty (20) working days following the occurrence of any issue giving rise to a grievance or the date when the employee should reasonably have had first knowledge of its occurrence, whichever is later, the grievance shall not have been presented at Level One, as set forth above, the grievance shall be deemed to have been waived. Failure of the employee/Association filing the grievance to appeal a decision to the next level within the time limit specified will mean that the grievance shall be considered settled on the basis of the decision last made and shall not be eligible for further appeal.

Failure of the Administration to answer an appeal within the time limit specified shall mean that the appeal may be taken to the next step immediately. The above limitations may be waived by mutual written agreement of the parties. In the event a grievance is filed on or before June 1 which, if left unresolved until the beginning of the following school year would cause irreparable harm to the party in interest, the time limits set forth herein may be reduced by mutual written agreement so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

Section 6

Nothing herein contained will be construed as limiting the right of any employee having a grievance to discuss the matter informally with the appropriate member of the administration and to have the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment above Level One and to state its views. If the employee so chooses, a representative of the Association may be present at Level One. The grievant may not elect to have anyone other than the exclusive bargaining representative present or to represent him/her during the grievance/arbitration procedure without the express written consent of the Association. The Association must be notified of the outcome of any Level One grievance at which an Association representative is not present.

Section 7

No written communication or record relating to any grievance shall be filed in the personnel file maintained by the School Department of the Town of Needham for any employee involved in presenting such grievance.

Section 8

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. For grievances and arbitration time limits, "days" shall be defined as days within the work year for employees. The time limits specified may be extended

only by mutual written agreement. It is understood and agreed that no grievance, dispute, misunderstanding, or difference between the parties arising out of the acts which occurred prior to the execution of this Agreement shall be submitted to the Committee under the provisions of this Article. It is understood that any grievances pending at the conclusion of the Contract will remain operative in the subsequent contract period unless settled in negotiations. An employee may contact the Association at any time prior to or during the grievance procedure.

ARTICLE 6 ARBITRATION

Section 1

In the event either party elects to submit a grievance to arbitration, the arbitrator shall be selected according to and governed by the following procedure:

The arbitrator is to be mutually selected by the Committee and the Association. If the Committee and the Association cannot agree within seven (7) days after the written notice specified above of the intention to arbitrate, then the party demanding arbitration shall, within three (3) work days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrator is then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

Section 2

The fees of the American Arbitration Association and of the arbitrators and the expenses of any required hearings shall be shared equally by the Committee and the Association, but each party shall bear the expenses of its representatives, participants, witnesses, and for the preparation and representation of its own case.

Section 3

The arbitrator's award shall be in writing and shall set forth his/her findings of fact with reasoning and conclusions. He/She shall arrive at his/her decision solely on the facts, evidence, and contentions presented by the parties through the arbitration proceedings. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, and in reaching his/her decision shall interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Superintendent/Committee other than those expressly set forth herein. Subject to the foregoing, the decision of the arbitrator shall be submitted to the School Committee and the Association and shall be final and binding upon the Committee and the Association, and the employee, or group of employees, who initiated the grievance.

ARTICLE 7 PERFORMANCE EVALUATION AND PROBATIONARY PERIOD

Section 1

A performance evaluation procedure shall be maintained which is reasonably related to the employee's job duties and/or performance.

Section 2

The evaluation period shall be September 1 to August 31. Employees in the first two years of employment will be evaluated at least annually. Evaluations will be done every two

years for secretaries after the second full year of employment. Interim evaluations may be performed at the discretion of the evaluator.

Section 3

The evaluator will be the appropriate administrator as assigned by the Assistant Superintendent for Human Resources. Members will be notified of their evaluator by May 15 of the year preceding the evaluation year.

Section 4

No later than forty-five (45) workdays after the start of the school year, the evaluator shall meet with the evaluatee for the purpose of explaining the procedure and answering questions regarding the procedure. During the probationary period, the immediate supervisor will meet with the employee for the purpose of reviewing the employee's performance and to explain and answer questions regarding the evaluation procedure.

Section 5

The evaluatee will receive a copy of each evaluation for his/her signature. The employee's signature does not constitute affirmation of the contents of the evaluation, but only that the appropriate process has been followed. The evaluatee shall be allowed to submit written comment to the evaluation within ten (10) days of receipt of the evaluation.

Section 6

An allegation that an unsatisfactory evaluation is arbitrary or without foundation may be raised through the grievance procedure, but in no event beyond the level of Superintendent. Individual categories of an evaluation are not grievable. Should the evaluatee fail to meet the required standard of performance, remedial action may occur consistent with Article 26.

Section 7

A new employee must serve a probationary period of ninety (90) workdays. Discharge during the probationary period is not subject to the grievance and arbitration procedure.

Section 8

A copy of the performance evaluation instrument for Unit D is included as an addendum to the contract.

Section 9

A new evaluation instrument will be developed by a Joint Committee comprised of three secretaries selected by the NEA (one from each level) and three administrators.

Section 10

By June 30, 2019 a study committee of three NEA members and three administrators will convene to evaluate the efficacy of the Unit D evaluation rating scale and forms.

ARTICLE 8 MISCELLANEOUS LEAVES

Section 1 - Bereavement Leave

With the approval of the Superintendent of Schools, an employee will be allowed up to five (5) workdays without loss of pay in each case of death in the immediate family. The term "immediate family" includes the employee's spouse, child, father, mother, brother, sister,

grandparent, grandchild, son-in-law, daughter-in-law, mother-in-law, father-in-law, or other person for whom the employee has primary responsibility for funeral arrangements.

The bereavement days must be taken within 60 calendar days of the death and if not taken consecutively, the days may only be taken in two (2) groups (*i.e.*, either 2 days and 3 days or 4 days and 1 day).

The Superintendent may grant additional leave at his/her sole discretion upon request in those circumstances which he/she deems appropriate.

An absence of two (2) days may be granted in such cases with respect to the death of the grandparents or sibling of his/her spouse or a permanent member of the employee's household. The Superintendent may grant time off at his/her sole discretion with pay for an employee to attend services with respect to the death of any other family member.

These provisions shall be administered in the light of their purpose, which is to provide opportunity, when needed, to enable an employee to attend the funeral or to attend to family or personal matters arising as a result of the death, and shall not be charged against sick leave.

Section 2 - Leave of Absence

Requests for unpaid leave during the school year should be made only for good and sufficient reason approved by the employee's supervisor and submitted to the Superintendent for his/her decision. Unpaid leaves of absence will not be granted on an annual basis; therefore, requests for such leaves should be limited to extraordinary circumstances (e.g., once-in-a-lifetime experience, but not strictly vacation or extension of a vacation period).

Section 3 - Jury Duty Leave

An employee who is required to serve on jury duty during the school year will be paid full salary for the time served. Per diem compensation received by employees for jury duty on workdays will be returned to the Town.

It is necessary to request a leave of absence for mandatory jury duty. The employee must state the duration of the jury duty in writing to the **Assistant Superintendent for Human Resources** with a copy to the Superintendent or designee.

Employees are requested to attempt to schedule jury duty, if possible, during non-school time.

Section 4 - Personal Days

Two days leave with pay may be granted each school year for imperative personal business which could not effectively be conducted outside of school hours. Personal days not used may accumulate to a maximum of four (4) days at the beginning of any school year.

Requests for such leave must be submitted to the **Assistant Superintendent for Human Resources** in writing as soon as possible and whenever possible not less than seventy-two (72) hours before the absence occurs.

In no event will this leave be granted so as to extend a holiday or vacation, except in the case of unforeseen circumstances when approved by the **Assistant Superintendent for Human Resources**.

Section 5 - Parental Leave

The School Committee agrees to provide parental leave consistent with the Family Medical Leave Act. In the event that an employee who has completed three (3) full years of service in Needham desires a leave without pay longer than any leave required by statute, the following will apply:

- a. the employee will notify the Superintendent no later than two (2) months prior to the effective date of the initial leave of his/her intention to take an extended leave;

- b. the employee is allowed take an extended leave beyond the statutory leave provided such leave coincides with the school year (e.g., if the baby is born or adopted in February, the employee may take extended leave provided the leave is for the remainder of that school year and, if requested, for the entire next school year);
- c. the date of anticipated return will be established with the Superintendent at the time the leave commences;
- d. the employee must notify the Superintendent in writing by May 1 in the calendar year in which the leave expires of the employee's intention to return in September or the employee's intention to resign from the school system; failure to comply with this requirement will be considered a resignation;
- e. at the time of return, a doctor's certificate of good health must be presented upon request.

In the event of the termination of a pregnancy or if an employee desires to terminate parental leave, the employee may make written application for reinstatement prior to the previously established date for the termination of the leave. Such application shall be accompanied by a physician's statement of good health. Such reinstatement will be granted by the School Committee in the case that an acceptable vacancy exists.

An employee returning from an extended leave (beyond the initial statutory leave) will be placed on the next step of the salary schedule if actively employed by the Needham Public Schools for at least one half of his/her most recent work year.

This Parental Leave provision shall apply to adoptive parents.

Section 6 - Military Leave

The Committee will comply with all state and federal laws with respect to mandatory military leave of absence. In such instances when an employee is required to perform active duty training during the work year, s/he will be paid the difference between his/her regular pay for a two-week period and his/her certified military pay (assuming the latter is less).

ARTICLE 9 SICK LEAVE

Sick leave is granted when an employee is incapacitated from performance of duties due to sickness or injury. Also, sick leave with pay may be granted in the case of a serious illness of a member of an individual's immediate family (spouse, child, parent) which requires the attention of the employee, not to exceed five (5) days of sick leave per year allocation, unless otherwise approved by the Superintendent of Schools.

All eligible employees hired on or after July 1, 2017 will receive one day of sick leave per month. Eligible employees hired before July 1, 2017 shall receive the annual allotment of sick pay each July 1.

Section 1 - Full-Time Office Employees (10/11 and 12 Month Employees Working 35 or more hours per week)

Full-time office employees are allocated one day of sick leave per month of work cumulative to a maximum of one hundred and seventy-five (175) days. 'Days' are equal to one-fifth (1/5) of the employee's regularly scheduled workweek.

Section 2 - Part-time Office Employees (10/11 and 12 months)

Part-time employees working twenty or more hours per week are allocated one day of sick leave per month of work cumulative to a maximum of one hundred and seventy-five (175) days. 'Days' are equal to one-fifth (1/5) of the employee's regularly scheduled workweek.

Part-time employees working less than twenty hours per week are not entitled to paid sick leave.

Section 3 - Long-term Office Substitutes

Long-term office substitutes (ten days or more) are entitled to sick leave benefits consistent with this Article.

Section 4 - Extended Illness Leave

When an employee must be absent because of serious illness or accident for more than ten (10) days, he/she must present, prior to her/his return, a letter from her/his physician certifying that she/he is able to return to her/his position. In the event that her/his doctor cannot attest to her/his being physically able to carry on in her/his position, determination will be made by the Superintendent or designee if there is a less demanding position available in the school system for the individual. That information will be shared with the employee and, if her physician says that she/he is able to perform those duties, she/he may return on a temporary basis to that position. Her/his assignment in that position shall not extend beyond the period of a month, although this may be subject to review by the administrator involved and the Superintendent of Schools. She/he will be paid at her/his rate of pay for this temporary assignment.

In the event that there is no alternative position and if her/his physician says she/he is unable to return to her/his regular position, she/he may be extended a leave of absence without pay for one year in the expectation that the employee will be able to return to her/his position.

In the event that an employee is not able to return to her/his position and there is no alternative position available to her/him, arrangements for resignation or retirement will be made with the **Assistant Superintendent for Human Resources**, making every effort to assist the person with her/his separation.

The Superintendent of Schools may request an examination by the School Physician as to the necessity of any absence which exceeds three (3) days. In any instance where the school administration believes that such leave is being abused or used for purposes other than those for which it was intended, the employee will be notified and pay for the day or days involved will be withheld. If the employee maintains that the administration's decision is incorrect, the matter may be presented through the grievance procedure and arbitration.

Sick leave is not a bonus and is only intended for the unforeseen circumstances set forth above. Accordingly, employees whose services are terminated through resignation, dismissal, retirement, or death shall not be entitled to additional salary or wages in lieu of any sick leave not taken, nor may such unused sick leave be transferred to the account of any other employee.

Section 5 - Further Extended Personal Illness

Any employee whose personal illness extends beyond the period compensated for above may be granted a leave of absence without pay or increment for up to a period of one (1) year. Thereafter such leaves shall be subject to annual review.

Section 6 - Extended Family Illness

A leave of absence without pay or increment of up to one (1) year may be granted at the discretion of the Superintendent for the purpose of caring for a member of the employee's immediate family or person for whom the employee has primary responsibility who is seriously ill.

ARTICLE 10 SICK LEAVE BANK

Section 1

A Sick Leave Bank is established for use by qualified members of this professional staff who have exhausted their own sick leave and who are seriously ill. The purpose of the Sick Leave Bank will be to provide its members sick leave with pay for periods of disability resulting from illness, accident, or injury. In order to be eligible for a grant from the Sick Leave Bank, Sick Leave Bank participants must intend to return to regular duties.

Section 2

The Bank shall be maintained year to year until exhausted. When exhausted, the Bank shall be renewed by the contribution of one additional day by each member of the bargaining unit.

Section 3

The initial grant of sick leave by the Bank Committee shall not exceed fifteen (15) days.

Section 4

Upon completion of the fifteen (15) day period, additional entitlement may be extended by the Sick Bank Committee upon demonstration of need by the applicant.

Section 5

Any sick leave granted under the provisions of this Section shall expire at the end of the applicable school year.

Section 6

The Sick Leave Bank shall be administered by a Sick Leave Bank Committee consisting of five (5) members. Two (2) members shall be designated by the School Committee to serve at its discretion, and two (2) members shall be designated by the Association. The fifth member shall be selected by the NEA and NSC on an alternating basis and shall vote only to break ties. For the 2017-2018 year, the **School Committee** will choose the fifth person, whereas in 2018-2019, the choice will be that of the **NEA**. In 2019-2020, the choice will revert back to the **School Committee**. The Sick Leave Bank shall determine the eligibility for the use of the Bank and the amount of leave to be granted. The following criteria shall be used by the Committee in administering the Bank and determining eligibility and amount of leave:

- a. Adequate medical evidence of serious illness;
- b. Prior utilization of all eligible sick leave;
- c. Length of service in the Needham Public Schools
- d. Use of previous sick leave and personal leave.

No days may be withdrawn to permit an individual to stay at home to care for other members of the family.

Section 7

The decision of the Sick Bank Committee with respect to eligibility and entitlement shall be final and binding and not subject to appeal.

Section 8

The Sick Leave Bank shall be operated independently of any other employee bank for the duration of this contract.

Section 9

The member, or if the member is too disabled the NEA, must apply in writing for benefits. A Certificate of Health Care Provider form completed and signed by the licensed physician indicating that he/she is suffering a serious illness that requires further absence from work must accompany the application for benefits.

Section 10

The sick leave bank is not intended to serve as a disability policy. Unit D members are encouraged to consider options as outlined in Article 14, section 4, or other private short and long term disability policies.

Section 11

By October 15 of each year, Human Resources will provide the number of hours which remain in the Sick Bank to Unit D members.

Section 12

During the course of a contractual year, any Unit D member may voluntarily donate up to three (3) sick days from their personal accrual to the sick bank. At the member's request, Human Resources will provide a Sick Bank Donation form.

ARTICLE 11 SICK LEAVE BUYBACK POLICY

A full-time employee of the Needham Public Schools may obtain an increase in compensation in the final year of work by following this established procedure.

An eligible employee who desires to participate in this program will notify the Superintendent of his/her intent to retire at least six (6) months before the day on which he/she plans to retire. A buyback payment would be issued as a lump sum at the termination of employment according to the following sick leave surrender policy:

<u>Years of Service</u>	<u>Maximum Number of Days</u>
20 or more	200
15 through 19	150
10 through 14	120

This buyback payment will be included in the final paycheck due the employee.

Section 2

Should an office employee with long service be forced to retire because of a personal emergency situation, a request for buyback will be considered.

Section 3

The rate of buyback for those members retiring effective June 30 shall be forty (\$40) dollars per seven-hour (7) day (total hours accrued divided by seven (7) hours multiplied by forty (\$40) dollars). The rate of buyback for those members retiring effective any day other than June 30 shall be twenty-six (\$26) dollars per seven-hour (7) day (total hours accrued divided by seven (7) hours multiplied by twenty-six (\$26) dollars).

Section 4

Under extraordinary circumstances, the Superintendent will consider a request to rescind retirement notification up to thirty (30) days before the scheduled retirement date.

Section 5

In the event of the death or permanent disability of a person who has been an employee of the Needham Public Schools for a period of ten (10) years, the benefits of this section will be paid to the employee's beneficiary or to the employee if disabled.

Section 6

Unit D members who have worked for ten (10) or more years in Needham who are dismissed in accord with the Reduction in Force Article (Article 15) will receive the Benefits of this Section without meeting the notice or other requirements.

ARTICLE 12 VACATIONS

Section 1

Effective July 1, 2018, all new hires will accrue vacation time on a monthly basis.

Section 2 - Twelve Month Office Employees Working Twenty Hours or More

During the first two full years of employment, office employees on a twelve-month basis are entitled to twelve (12) days of vacation. If such an employee enters the school system after the school year commences, he/she will be entitled to one day of vacation for each month worked. After the third year and each year thereafter, an employee is entitled to three (3) weeks or fifteen (15) days. After ten or more years, four (4) weeks of vacation will be granted.

A vacation year is July 1 through June 30 of any given year.

A request in writing to carry over up to five (5) vacation days to the next vacation year may be allowed after approval of the immediate supervisor and notification to the Superintendent or designee. Submission to the Superintendent or designee must be pre-approved by the supervisor.

A request for an advance of vacation time would only be granted for a special, unusual, once-in-a-lifetime occasion and with approval by the immediate supervisor and the Superintendent or designee.

Because the office must be adequately staffed during the entire summer, vacation weeks must be staggered. In scheduling the vacation weeks, imbalance in the number of office personnel working each week must be avoided. Should an imbalance occur, preference will be given on the basis of seniority.

If an office employee wishes to take some vacation time during the school year, the needs of the office and the "peak workload" times will be considered by the administration in determining whether to approve such requests.

'Days' are equal to one-fifth (1/5) of the employee's regularly scheduled workweek.

Section 3 - Pro-Rated Vacation for Part-Time, Twelve-Month Office Employees

Paid vacation will be based on the average number of hours per day for the previous year, with one day of vacation for each month worked. An employee who works less than a full year shall receive a pro-rated vacation allotment.

Section 4 - Office Employees on Less Than a Twelve-Month Basis

During the first two full years of employment, office employees on a ten or eleven-month basis are entitled to ten (10) or eleven (11) days of vacation. If such an employee enters the school system after the school year commences, he/she will be entitled to one day of vacation for each month worked, not to exceed the ten or eleven days as provided for in the previous paragraph. After the third year of employment and thereafter, office staff members in these two

categories are entitled to fifteen (15) days of vacation, prorated for ten or eleven months, as the case may be.

10-month personnel	13 days
11-month personnel	14 days

It is requested that ten-month personnel take their vacations as follows:

December vacation	4 days (unless Christmas falls outside the workweek)
February vacation	4 days (allowing for one legal holiday)
April vacation	4 days (allowing for one legal holiday)

1 day (10-month employee)*

2 days (11-month employee)*

*To be taken at a mutually convenient time.

A request in writing to carry over up to five vacation days to the next vacation year may be allowed after approval of the immediate supervisor and the Superintendent or designee. Submission to the Superintendent or designee must be pre-approved by the supervisor.

If an office employee wishes to take some vacation time during the school year, the needs of the office and the "peak workload" times will be considered by the administration in determining whether to approve such requests.

'Days' are equal to one-fifth (1/5) of the employee's regularly scheduled workweek.

Section 5 – Office Employees on a Part-Time Ten-Month Basis (less than 20 hours)

Office employees working less than twenty hours are not entitled to paid vacation.

Section 6

Program Specialist/AV Technician and Program Specialist/Computer Technician receive vacation benefits pursuant to Sections 1-4 of this Article effective July 1, 2009.

(See reference guide on page 20)

ARTICLE 13 HOLIDAYS

Section 1

The following holidays shall be recognized as legal holidays when these holidays fall within the employees' regular work year:

Labor Day	New Year's Day
Columbus Day	Martin Luther King Day
Veteran's Day	President's Day
Thanksgiving Day	Patriots' Day
Day after Thanksgiving	Memorial Day
Christmas Day	Fourth of July

If a holiday falls on Sunday, it will be celebrated on Monday or Friday, unless school is in session. If school is in session, a floating holiday will be earned to be taken with a forty-eight (48) hour notice to the supervisor.

If a holiday falls within an employee's scheduled vacation time during the employee's normal workweek, that day will be considered a paid holiday and not a vacation day.

Part-time employees will receive pro-rated pay (per hour/week worked). Since holiday pay is equal to one-fifth (1/5) of the regularly-worked hours, a part-time employee has the option, by arrangement with the immediate supervisor, to make up any pay lost based on this calculation during the week that the holiday occurs. (For example, if an employee regularly works twenty (20) hours in four days, the usual daily pay would be five (5) hours. However, according to the holiday pay calculation, twenty divided by five would equal four hours of pay for the holiday. Thus, the employee would be paid five hours for each of the other three days worked and four hours for the holiday, totaling nineteen hours. The employee has the option of making up that one hour on one of the other regular workdays, by arrangement with the immediate supervisor.)

Part-time employees who work less than twenty (20) hours per week after June 30, 2005, are not eligible for paid holidays.

In addition to their base year days specified in the salary schedules, the Program Specialist/AV Tech and Program Specialists/Comp Tech are entitled to five (5) paid holidays. The five holidays are: Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Day and Presidents' Day. Beginning July 1, 2009, Specialist/AV Technician and Program Specialists/Computer Technician are entitled to the same holidays provided to all Unit D members pursuant to Article 13.

Section 2- Religious Holiday

Insofar as the Needham School Committee's policies permit staff to be absent from work for religious reasons, bargaining unit members who are required to be absent from work for religious reasons will be so permitted to use a personal day or take the day without pay. Such absence shall be submitted in writing in advance to the **Assistant Superintendent for Human Resources**.

(See reference guide on page 20)

ARTICLE 14 BENEFITS

Section 1 - Insurance

As long as the Town of Needham agrees to pay a portion of the health and life insurance program currently in effect for employees working more than twenty (20) hours, the School Committee will certify employee deductions based upon status as a ten, eleven, or twelve-month employee for participating members upon receipt of a proper authorization.

In the event the Town of Needham modifies its insurance plan, the same arrangements or amendments to payroll deductions will be made available to employees in the unit.

The HMO plans available to employees on July 1, 2011 are the so-called Rate Saver Plans provided through West Suburban Health Group and are in effect as of July 1, 2011.

Section 2 - Tax-Sheltered Annuities

- a. In order to provide for a non-forfeitable tax-sheltered annuity payable upon retirement or termination of employment, an employee working more than twenty (20) hours per week may contract with the Committee pursuant to the General Laws of Massachusetts for the purchase of such annuity as part of his or her employment compensation.
- b. Such contract shall specify the premiums to be paid toward the annuity and the benefits payable thereunder.
- c. A tax-sheltered annuity program may be initiated at any time during the school year.

- d. Premiums for such annuities shall be paid promptly.

Section 3 - Workers' Compensation

Workers' Compensation is provided to employees through the Town of Needham. In case of injury, the employee must notify the immediate supervisor and complete all required documentation in a timely fashion as required by law. An employee on Workers' Compensation may elect to receive sick leave payments to the extent permitted by the General Laws in Chapter 152, Section 69, whereby such payments will be charged against accumulated sick leave, and the amount, when added to Workers' Compensation benefits, does not exceed his/her full salary or wages.

Section 4

The Town of Needham will assign a payroll deduction slot for employees to participate in the Massachusetts Teachers Association's disability insurance plan. The NEA will provide the premium amounts of the plan, along with deduction authorizations, for those employees who are eligible for and wish to participate in the plan.

ARTICLE 15 REDUCTION IN FORCE

Should a reduction in force of the office staff be necessary, the following criteria will be followed.

Section 1

Seniority of the staff will be established, updated, and distributed every fall. Seniority for the sake of computing length of service will be the total time employed by the Needham Public Schools from the first day worked in a regular position as indicated by the payroll records.

Section 2

Seniority will govern when the administration in its judgment determines that all other relevant factors including, but not limited to, skill, ability, efficiency, specific training, and overall performance in the school system are equal.

Section 3

An employee within a particular job category with the least seniority will be released from her/his position if necessary, except when the administration deems it necessary to make an exception in the best interests of the school system.

Section 4

Should a vacancy occur, any person subjected to a reduction in force within the previous six months and who chooses to be placed on an availability list will be considered for such position if she/he is fully qualified to meet the requirements of the position to be filled.

Section 5

The administration will attempt in non-emergency situations to give affected employees two (2) weeks notice of a reduction in force.

ARTICLE 16 "NO-SCHOOL" DAY POLICY

Section 1

When a snow day is declared, Unit D members are not required to work.

Twelve-month Employees: On days when the Superintendent cancels school for students and teachers due to inclement weather conditions, twelve-month personnel assigned to school offices and the Administration Building should report to work.

If a twelve-month employee is unable to report to work due to inclement weather, he/she should notify the immediate supervisor. He/she may take the day as a vacation day, personal day, or unpaid day.

If notified by the Superintendent that all buildings are closed and employees are directed not to report to work, twelve-month employees will be paid for the day.

In cases in which the Governor has declared a State of Emergency that includes the Needham area, twelve-month employees are not required to work, but will be paid.

Section 2

A ten/eleven (T/E) month employee should notify the payroll department in the event he/she works on a no-school day or a school vacation day. Notification should be provided during the pay period during which the work occurs. A ten/eleven month employee is not required to work on a 'No School' day, and the day will be unpaid. The employee is expected to work on the make-up day. He/she may take the 'No School' day as a vacation day, personal day, or unpaid day.

Section 3

When there is a delayed opening because of inclement weather, the delayed opening applies to all employees.

ARTICLE 17 WORK CALENDAR

Section 1

For each fiscal year, eleven-month office personnel (full-time/part-time) are budgeted for 213 workdays, and ten-month office personnel (full-time/part-time) are budgeted for 193 workdays (ten and eleven month office personnel are hereinafter referred to as "T/E" office personnel or office staff members). These budgeted days are designed to include five workdays prior to the opening of school and five workdays following the close of school. These budgeted days also include days on which school is closed for certain religious holidays when such holidays fall on weekdays. Therefore, during fiscal years when such holidays fall on a Saturday or Sunday, the number of budgeted days is less than the 213 or 193 set forth above. (The 213 days for eleven-month office personnel and the 193 days for ten-month office personnel, each reduced by the number of applicable religious holidays which fall on a Saturday or Sunday, are hereinafter referred to as the "Number of Budgeted Days.")

Ten-month secretaries, including office aides, work 193 days including 180 school days, 10 days for the one week before and one week after the school year and 3 additional days completed during July, August, Rosh Hashanah, Yom Kippur, Good Friday (when these days fall during the week) or when school is closed due to election, as agreed in advance by the employee and supervisor. Eleven-month secretaries work 213 days including 180 school days, 10 days for the one week before and one week after the school year, 20 days during July and/or August and 3 additional days as specified for ten-month secretaries. **For the additional work**

days selected by 10 and 11 month employees, a sick, personal or vacation day may be used if necessary.

Section 2

T/E employees (full-time and part-time) can be compensated for more than the number of budgeted days with prior approval by the Superintendent or his/her designee.

Section 3

The number of budgeted days cannot be carried from one fiscal year to the next. If a T/E office staff member has not worked all his/her budgeted days on or prior to June 30, the staff member forfeits them.

Section 4

Upon direction of the principal or immediate supervisor, a T/E office staff member may work on a "no-school" day. In that case, the day is considered as one of the number of budgeted days, and the employee shall finish the school year earlier than the scheduled five (5) days after the closing of school in order to avoid working more than the number of budgeted days without prior approval.

Section 5

In years when the school calendar or number of snow days results in fewer than five days remaining between the close of school and June 30, a T/E office staff member may, with the approval of his/her principal or immediate supervisor, work during a school vacation period in order to work the entire number of budgeted days.

Section 6

Elementary 12-month School Lead Secretaries who previously opted to remain at 11 months shall remain at 11 months. All new hires to this position will be 12 months.

ARTICLE 18 VACANCIES

Section 1

Notice of permanent vacancies will be posted by the principal in each school building during the school year and will be posted on email in "**Human Resources/Payroll**" for at least ten (10) working days. Notice of job vacancies will be sent to the Association President.

Section 2

When an open position is posted, current job descriptions will be included in the posting.

Section 3

When filling vacancies, there should be a reposting of any new position not filled if substantial changes are made in the original job postings.

Section 4

Routinely occurring temporary assignments shall be posted as mentioned above (i.e., summer curriculum, college recommendations, summer school work, etc.).

Section 5

Short-term vacancies, defined as those of less than one-month duration, need not be posted.

Section 6

All in-house candidates and the selected candidate will be notified to the extent possible no later than two weeks after interviews have been completed. After a position is filled, any applicant may request, in writing, the reason for non-selection. When an employee is promoted into a higher-paid classification, that employee will be placed on the step in the higher-paid

classification that provides an increase of no less than \$.25 per hour. **Notification of new hires within Unit D will be sent to the Association President and the Unit D Leader within seven calendar days.**

Section 7

If a full-time vacancy occurs during the summer, notification of the vacancy shall be mailed to all Unit D employees on vacation.

Section 8

When an employee is assigned to work temporarily out of classification in a position with a higher pay schedule and remains in such position for more than ten business days, his/her pay shall be adjusted to reflect the pay schedule applicable to the higher rate position, with placement on the lowest level step which will provide the employee with a pay increase. If, in the judgment of the Superintendent or designee the step placement is unreasonable, the employee may be placed on a higher step. Such judgment is not subject to the grievance procedure. The new pay rate shall be retroactive to the first date of the employee's temporary promotion and shall be paid weekly. This Article does not apply to employees while they are filling in for other employees who are on vacation, regardless of the length of the vacation.

Section 9

A Reclassification Review Board composed of an equal number of designees of the NEA and the School Committee shall meet six (6) months prior to expiration of the contract to consider reclassifying certain positions for possible proposals for contract negotiations.

Section 10

All newly hired members to Unit D shall be assigned a mentor in their first year of employment assigned by an administrator. Each mentor will be paid a \$200 stipend for mentoring on a one-to-one basis.

ARTICLE 19 HOURS OF WORK

Section 1

The workday shall consist of seven (7) hours of actual work per day, exclusive of an unpaid lunch period of no less than thirty (30) minutes.

The workday for School Lead Secretaries is eight (8) hours of actual work per day, exclusive of an unpaid lunch period of no less than thirty (30) minutes.

Effective July 1, 2009, the workday for Program Specialist/AV Technician and Program Specialist/Computer Technician is eight (8) hours of actual work per day, exclusive of an unpaid lunch period of no less than thirty (30) minutes.

Section 2

Each employee working a full day shall be entitled to twenty (20) minutes of break time. Part-time employees shall receive one ten (10) minute break. The timing of the breaks shall be established by the supervisor after consultation with the employee.

Section 3

Employees will be compensated for all hours worked. Hours worked in excess of forty (40) hours shall be paid to the employee and should be reported in the week that the work

occurs. The rate of compensation (money) shall be at time and one-half, consistent with applicable state law and federal laws.

Section 4

Any employee called in to work shall receive a minimum of three hours pay.

Section 5

At the discretion of administration, and based on work load, selected 11-month Bookkeeper positions may increase to 12-months. Affected employees shall be notified by December 1 of the preceding fiscal year. Administration will carefully consider the preference of the affected bookkeeper. If the affected bookkeeper indicates s/he would prefer to remain an 11-month bookkeeper, due consideration will be given to those bookkeepers who would like the option to work 12-months by following the vacancy process outlined in Article 18 before a final decision is made. Any assignment made related to this section is not subject to the grievance and arbitration process.

Incumbent bookkeepers hired prior to June 30, 2017 who increase from 11 to 12-months will receive a one-time \$1000 payment in a lump sum on July 1 of the new fiscal year in which the change takes place.

ARTICLE 20 PERSONNEL FILES

An employee has a right, upon request, to review the contents of his/her personnel file. Nothing of an adverse nature regarding performance should be placed in a personnel file without a copy going to the employee.

Any complaint regarding an employee from a parent, student, or other person requiring administrative action shall be promptly called to the attention of the employee before any administrative action is taken. This section will not be construed to prevent the administration from conducting an investigation before the complaint is brought to the attention of the employee.

In the course of reprimand or discipline by a member of the administration, the employee may request that a representative of the Association be present.

ARTICLE 21 HEALTH AND SAFETY

Section 1

The Committee will strive to provide its staff with safe and healthful working conditions.

Section 2

Employees should submit these forms on a quarterly basis, with the final report due no later than June 30.

Employees will only be asked to use a personal vehicle to transport a reasonable amount of employer-owned equipment in terms of size, quantity, value or stability. Reasonableness will be determined by a conversation between the employee and supervisor. If an agreement cannot be reached, the employee will transport the equipment in his/her vehicle or use a school department van and subsequently request a review by both the Assistant Superintendent of Human Resources and the President of the NEA. The Assistant Superintendent of Human Resources and the President of the NEA will meet to collaboratively determine if the items transported will be considered reasonable going forward. The final determination is not subject to the grievance and arbitration process.
